

635 East Construction in Mesquite

- Prioritizes I-30 mainlane construction
- New direct connectors and I-30 bridges will be in service before the I-635 general purpose lanes at the interchange area
- I-635 general purpose lanes and new frontage roads are one of the final elements to be constructed
- Temporary long-term closure of Gus Thomasson Rd. at I-30 (up to one year)
- Temporary long-term closure of La Prada Dr. at I-635 (up to nine months)

Upcoming for Year 2023

Temporary long-term closure of Gus Thomasson Rd. at I-30 lasting up to one year

Frontage roads will remain open (View detour exhibit)

Detour routes to use during this anticipated closure of Gus Thomasson will be through Motley Dr. and Galloway Ave.
