7. Panadería El Regio

1821 Crestridge Dr
Mesquite, TX 75149

Located just off of Galloway, El Regio is an easy find with outstanding rewards. Make sure to try the rebanada, which is an enormous slice of bread with the taste and texture of angel food cake that's slathered with butter and sugar.

The North Texas skyline might look as flat as a leveling tool, but that didn't stop Bear Cave Coffee in Mesquite from bringing some Wyoming mountain flavor our way.

8. Abuelito #2

710 W Scyene Rd
Mesquite, TX 75061

Arrive at Abuelito #2 with enough time to salivate over the superabundance of pan dulces and agonize over the impossibility of trying them all. From among the brightly colored cuernos (horn-shaped pastry filled with sweet cream) and conchas, grab the dark brown, unassuming empanada de calabaza. The pumpkin filling, spiked with plenty of cinnamon and cloves, is sweet and perfectly spiced.
